

HALL's STORE CHECKLIST TO VACATE

5/26/22

At or before 10pm, USER will restore the facility as found:

1. Remove all trash (from all rooms rented) and USER'S belongings, including equipment. Do not dispose of trash in Town Park receptacles.
2. Return tables to storage closet and chairs where found. Ensure all have been wiped down.
3. Close blackout blinds, as found. Close and lock all windows.
4. Meet with a Board member of the SOCIETY who will inspect, agree that the facility is cleared properly, and provide you with a signature of approval.

If both agree, the original agreement is signed by both parties, and the SOCIETY Board member will lock up the facility, and the Security Deposit will be returned/refunded quickly.

If not, further action will be determined by the SOCIETY (within 1 month), and communicated to USER in writing.
